

Personal Data Policy for Scandymet AB

1. General

The website www.scandymet.com (the "Website") is created by Scandymet AB, VAT number SE556194247401, with address Våxelgatan 5, 826 40 Söderhamn ("Scandymet", "we" or "us"). We determine the purposes and means for the processing of personal data and are thus also responsible for all processing of the personal data that takes place within the framework of this policy ("Personal Data Policy"). This Personal Data Policy becomes applicable when you visit our Website and order products from us.

The definitions in this Personal Data Policy shall be interpreted in accordance with the General Data Protection Regulation (Regulation 2016/679) (GDPR) and national implementations and other applicable national legislation, including Act (2018: 218) with supplementary provisions to the EU General Data Protection Regulation.

2. Your individual rights

You as a visitor to the Website or customer of products ("**Users**") have the following rights:

- (i) **Registry extract, correction and deletion.** You have the right to request a copy of the Personal Data that we have collected about you, free of charge. You can also request correction of your information and -in certain circumstances- request that your personal data should be deleted.
- (ii) **Restriction.** You may require us to restrict the processing of your data in certain circumstances, e.g., during the time we investigate any objections from you.
- (iii) **Data portability.** In certain cases you may have the right to data portability, i.e. to obtain the personal data you provided, in a structured, generally used and machine-readable format, so that this information may be transferred to another person responsible for personal data. This only applies when we process the personal data with your consent or because it is necessary to fulfill an agreement with you.
- (iv) **Object to direct marketing.** (ie marketing via letter, e-mail, SMS and phone calls). You have the right to object to our direct marketing -including profiling- at any time, and we will cease our processing of your data for those purposes.
- (v) **Objection.** You have the right in some cases to object to other processing of your personal data. We must then stop processing if we cannot show compelling legitimate reasons that outweigh your interest in not having the personal data processed.
- (vi) **The Swedish Authority for Privacy Protection.** You have the right to lodge a complaint with the Swedish Authority for Privacy Protection (former Swedish Data Protection Authority), which is the authority in Sweden that exercises supervision on how companies comply with the legislation.

Exercising your rights is free of charge. We usually respond to your request for a register extract and deletion of your personal data within 30 days. The actions you request will be performed within a reasonable time, which -depending on the circumstances- can be up to three (3) months. We reserve the right to charge a reasonable fee for the measure should the request be unreasonable or unjustified.

3. Personal data and purpose

We will process the following personal data about you ("Personal Data"), to perform and deliver our services and to operate the Platform.

The following personal data may be processed when you use the Platform:
